**8. Wastewater Plant – Jim Lund**

Jim stated the water plant is running pretty good. There are issues with the sludge box where the walls are deteriorating which will cost the city approximately 164,500 to fix. Currently the WWTP is taking in more biosolids than we can handle due to the size of holding facility. Based on billing we are getting about ½ again what the original amount was. Jim mentioned the wall has fallen down on the biosolids holding area and biosolids are currently off the pad which is a violation of our biosolids permit. Jim requested a bid on expanding the laydown area by 50%. Jim is proposing the city start hauling the sludge to Lewiston with our dump truck and a trailer.

**9. Reviewing Utility Hook-up Fees/Changes – Jim Lund-Stu Bryant**

Jim advised moving in a direction for the better of the city and revenues by raising water hook-up fees by the customer paying for their own hook-up not the city paying.

**A. Discuss / Approve Accounts Payable (Action Item)**

Motion to Approve Accounts Payable was made by Council President Genese Simler and seconded by Council Member David Redden.
