Monthly Reporting:

Fire/EMS-Chief Billy Monahan-Total EMS calls were 50, Fire Calls 4 and IFT Transports 2. Five EMT students all passed their instructor Prewritten test and skills and are ready for the national registry exam. The Fire 1 class is moving along nicely. Chief brought up a new rating coming out and the score should be a 4 this time around which is much better than the previous. The action was taken to trim up the roster for volunteers due to the lack of attendance which can arise from many life interference issues. Chief brought up the need to acknowledge dedicated members expectancy of our volunteers. There will be 5 members going to Donnelly for command training. District has decals on brush 23 and alternator on. Chief mentioned working on ICMA agreement with IDL so we can get paid. Chief gave a thank you to City Clerk Teri Brenneis and City Hall Volunteer Tracy Hill for mudding through an absolute nightmare of record keeping and for progressing to make a difference in the needed areas of change for the city.

Wastewater Treatment Plant-Jim Lund-

Jim briefed on the MOA (Memorandum of Agreement) with the City of Orofino and that the agreement will end on January 1st, 2026, due to the condition of the bio solid walls at the plant. An understanding was agreed the need to continue to haul through October 2025. The concern was discussed of the lack of need to find a farm to haul to and that this opportunity had not been accomplished at this point.

Water Plant-Stu Bryant-

Stu talked about the numbers the plant was producing and at higher efficiency and stated he is not sure why, but the plant is tracking higher numbers. Stu touched on budget this year, that he was pleased with the process and everyone's contribution to working on the outcome. Jim Lund is working on his class II operator license.
